## TRUSTEE TROUBLE

*The misadventures of a new library board member*

Library Board membership is a great way to give back to the community and the library. Sometimes that first year on the board is tough, there is a lot more to being a library board member than you might think.

In this series of episodes, laugh and learn along with Dan, a new library trustee, as he muddles through his first year on the library board. We suggest viewing one episode per month and then as a group, discuss the episode and answer the questions asked at the end of the segment.
