

City of Highland
East-West Collector Road
Recommendations
October 1989

1. Visit with Tri-City Golf Course Board of Directors regarding viability of Alternative No. 1 and identify mitigation requirements and costs.
2. Visit with county Parks Department to identify options and costs for mitigating impacts to Adventure & Learning Park.
3. Discuss possibility of cost sharing with UVATS Committee.
4. Hold public meeting to present alternatives and get public input (invite all parties impacted not just Highland residents (i.e. Golf Course, Adventure & Learning Park).
5. Select preferred alternative for East-West collector.
6. Perform a preliminary survey to tie down alignment in field.
7. Develop official city street map which includes existing and proposed streets (Utah Municipal Code 12.212-12.215). (Include East-West Collector and other collector and arterial roads)
8. Hold public hearing for official city street map (Utah Municipal Code 12.213).
9. Adopt official map.
10. Provide an ordinance which prohibits issuance of building permits for structures on land which is part of any street shown on the official map.
11. Review all future building permits and subdivision plats to ensure that they will not conflict with official street map (Utah Municipal Code 12.212 and 12.215).
